# The Aster

The clever design of The Aster maximises the function and beauty of every inch. The open-plan living area strikes a balance between spacious and welcoming yet intimate and cosy. Three bedrooms and two bathrooms make this the perfect family home with the master bedroom featuring its own private ensuite and walk-in robe. Revel in the delight of two separate outdoor spaces — the porch and courtyard — and a generous two-car garage, extending the appeal of this residence well beyond your front door.
